

A NOTE FOR OUR PTA / PTO

Reading practice our class will love

I'd love to add Crazy A's phonics card games from Galloping Games, a small family business, to our classroom.

How it plays

Kids match cards by sound. On each turn they say the one sound that matches:

"The **a** in hat
matches the **a** in bat."

Six levels, one sound skill each · Ages 4+

1

CVC short vowels

the **e** in hen

2

Beginning blends

the **cl** in clap

3

Ending blends

the **nd** in band

4

Digraphs (sh, ch, th, wh)

the **sh** in ship

5

Silent-e long vowels

the **u-e** in mule

6

Vowel teams and Y as I

the **ee** in seed
